TASTE FOR ART, RESPECT FOR NATURE

When art and nature meet, the resulting projects have a unique value. Like Chorus Art, the FSC certified coated paper that combines superior technical qualities with a serious environmental profile, as seen in its content of **55% recycled – 30% post-consumer fibre**. Manufactured acid and elemental chlorine free, Chorus Art is a testament of Burgo's commitment in producing high quality papers in a sustainable manner – the ideal choice for the environmentally conscious consumer.

Chorus Art is manufactured specifically for the North American market. Thanks to local inventory programs it is always available in a wide range of sizes, weights, and finishes to meet the needs of the design, corporate communications, and print community.

For more information on Unisource's range of environmentally friendly papers visit www.unisourcegreen.ca, or call Susan Corbell, National Director, Specifications Sales at (905) 771-4119.
